Decision on certification 2010-12-07
(first issue 1972-01-27)

Helsinki 2010-12-07

Anne Qvintus, Managing Director

The certificate is based on initial inspection and on testing carried out by the manufacturer.
The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be checked at www.inspecta.fi
